Re: Leighton Technologies LLC v. Oberthur Card Systems, S.A., et al.
Case No. 04 Civ. 02496 (CM)(LMS)

Dear Judge McMahon:

The parties had an agreement regarding the briefing for this issue. Oberthur has disregarded that agreement and the local rules and improperly filed yet another letter, a sur-reply, on this highly disputed factual issue. Leighton is therefore faced with a Hobson's choice of providing a further response or moving to strike the letter as an improper filing.

Leighton submits that Oberthur's latest argument in its sur-reply letter is incorrect and misleading. Leighton will provide a further response should the Court wish to receive one.

Respectfully,

Robert A. Gutkin
